SUBJECT INDEX

The following Index is a guide to the **major** subjects of the forty reels and is usually limited to one reference and, sometimes, one cross-reference for each hearing. The numeral which precedes each colon refers to the reel; the hyphenated numerals refer to the frame numbers at which a particular hearing begins and ends in that reel. Hence, 3:0934-1011 directs the researcher to the hearing which begins at Frame 0934 of Reel 3 and ends at Frame 1011 of Reel 3. By referring to the Reel Index which comprises the initial section of this Guide, the researcher can find the main entry for this hearing.
