

Drive your tax practice forward with the most advanced legal technology platform from LexisNexis®

Precise, analytical, detailed. Your client's financial growth relies on your meticulousness. Harness more than 1,400 authoritative tax resources, cutting-edge technology and practice area expertise with LexisNexis®.

Count on the latest laws, regulations, insights and news.

In the wake of sweeping tax law changes, less regulation and an evolving global landscape, prompt access to breaking news with reliable analysis of developments is critical to tax practice. To meet that need, LexisNexis® has added more news resources to an already unparalleled collection.

Get breaking news and analysis across every major practice area and industry with Law360®. A new and completely distinct publication, [Law360® Tax Authority](#), focuses intensively on federal, state and international tax news, including IRS rulings and pronouncements.

Get in-depth analysis and thorough coverage specifically for tax specialists.

Get broad coverage in the same powerful solution with thousands of news and legal news sources, journals, law reviews, CCH® tax news publications, ALM® periodicals and an in-depth primary source collection with *Shepard's*® Citations Service, a customizable alert functionality that helps keep you informed.

Address tax issues with a collection that is both broad and deep.

You advise your clients on complex tax issues relevant to the full scope of their business. Steer them confidently to the best outcomes with [Lexis Advance® Tax](#), a resource that offers the breadth and depth of content you need in a diverse practice. Rely on:

A vast array of secondary resources on federal, state and international tax, accounting and estate planning from Matthew Bender®, CCH, *Law Journal Press*® and other trusted publishers

Authoritative guidance in highly respected tax authorities like [Federal Income Taxation of Corporations Filing Consolidated Returns](#); [Rhoades & Langer U.S. International Taxation and Tax Treaties](#); plus industry-specific and specialty titles

Expert commentaries and conference materials, such as the *NYU and USC Annual Institutes on Federal Taxation*, the *NYU Institute on State and Local Taxation* and the *Heckerling Institute on Estate Planning*

IRS Questions Coke's Elevation Of Licensees Over Bottlers
The lead attorney for the IRS continued to chip away on Tuesday in the U.S. Tax Court that foreign licensees were the entities most company's profitability, with questions to an executive that seem contributions made by the company's bottlers.

The screenshot shows the Lexis Advance Tax interface. At the top, there's a search bar with the placeholder text "Enter search terms". Below the search bar are navigation tabs: "Search", "News", "Tax Overview", "Get a Document", and "Sources". The main content area is currently empty. On the right side, there's a sidebar with a "Tax" dropdown menu. Under "Tax", there are several options: "Lexis® Tax", "Includes: IR history, expli more.", "Lexis® Tax", "Table of Contents - Internal Revenue Code", "Lexis® Tax", "Table of Index", "CCH", "BNA", "Leg", and "Matthew Be".

Spend less time researching, more time guiding your client.

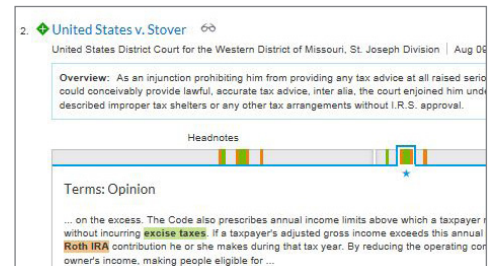

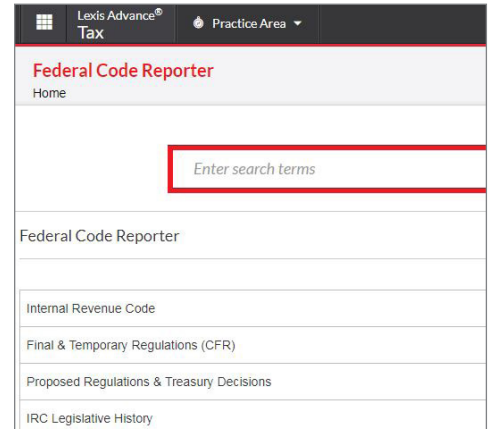

Efficiency is a must when researching multiple tax matters under tight deadlines. That's why we built Lexis Advance Tax to be the first place you turn to quickly find the resources and tools you need. Less research time lets you focus on what counts: providing sound guidance to your valued clients.

Designed by tax attorneys, Lexis Advance Tax incorporates features such as [LexisNexis® Tax Advisor—Federal Code Reporter](#), which expedites primary tax research, links to other materials and integrates *Shepard's* to help ensure nothing is missed.

Manage costs without sacrificing quality. Lexis Advance Tax provides the tax content you need, without transactional charges. There's no need to bill research back to your clients.

Enhanced search algorithms, data visualization, workflow features and analytical tools built into Lexis Advance Tax and Lexis Advance® help you efficiently assimilate your findings. Use the Lexis Advance proprietary Legal Issue Trail™ to locate authority down to a particular point of law within a case.

Assess the impact of proposed legislation with predictive analytics in Legislative Outlook, a revolutionary bill tracking and forecasting tool.

State-specific estate planning is easier with Lexis Advance Tax.

Along with tax and accounting materials to support you in tax planning for private clients, Lexis Advance Tax offers a multitude of analytical sources on estates, gifts and trusts, exempt organizations and related topics. Estate planning resources include: treatises, practice guides and form sets, state-specific estate planning and probate analytical sources from Matthew Bender and ALM, specialty journals, law reviews, conference papers, news and expert analyses. Expand your collection even further by electing to add CCH tax and estate content.

Get to the tax content you need now.

Quickly access [Lexis Advance Tax](#) with the navigation grid at the top of Lexis Advance.

Get daily updates with Law360 Tax Authority (*Display by date*) under Legal News in the Lexis Advance Explore Content box on the home screen.

Receive daily, critical information for your business and your clients with Alerts. Click the “bell” icon in Lexis Advance search results and use *Overview*, *Monitor* and *Delivery* options to customize.
