Here are just some of the resources you can turn to again and again for trusted, up-to-date guidance on Illinois jurisdictional practice.

- **New:** *LexisNexis® Practice Guide: Illinois Contract Litigation*—An innovative resource featuring a task-based, step-by-step format with practice tips from Illinois practitioners and judges, timesaving forms and a host of matter management tools within practice area.
- *Illinois Compiled Statutes Annotated*—Gain access to the complete statutes as annotated to the decisions of the Supreme Judicial Court, Appeals Court, Superior courts, Attorney General and key executive agencies.
- IP Law & Strategy Series—More than 30 publications offer “real world” strategic vantage points to reflect the growing importance of intellectual property as business assets.

FLAGSHIP AREA OF LAW RESOURCES

Of course, some areas of law are more closely governed by state law than others, and not all Illinois attorneys practice exclusively in Illinois courts. Accordingly, the enclosed pages include leading, frequently cited national titles in top practice areas: treatises, practice guides and forms that support your work in banking, bankruptcy, corporate, energy, environmental, health care, employment, intellectual property, litigation and securities.

LARGEST COLLECTION OF LEGAL EBOOKS

LexisNexis eBooks allow you to consult critical legal texts from anywhere at any time. eBooks include active links from citation references to relevant statutes, cases, treatises, and other materials at the Lexis Advance® service. When you order an eBook, you gain access to all this by signing in to the Download Center and clicking the Read Now button. All you need is a modern web browser on your preferred device. Access to LexisNexis eBooks is even more convenient when your organization subscribes to the LexisNexis® Digital Library. This library management solution reduces your costs and improves availability, ensuring the door to your library is always open.
