Due to the nature and origin of public record information, the public records and commercially available data sources used in reports may contain errors.

LexisNexis public records services are not provided by “consumer reporting agencies,” as that term is defined in the Fair Credit Reporting Act, 15 U.S.C. § 1681, et seq. (“FCRA”) and do not constitute “consumer reports,” as that term is defined in the FCRA. Accordingly, these services may not be used in whole or in part as a factor in determining eligibility for credit, insurance, employment or another eligibility purpose in connection with which consumer report may be used under the FCRA.
