Interactive Citation Workbook for *The Bluebook: A Uniform System of Citation*®

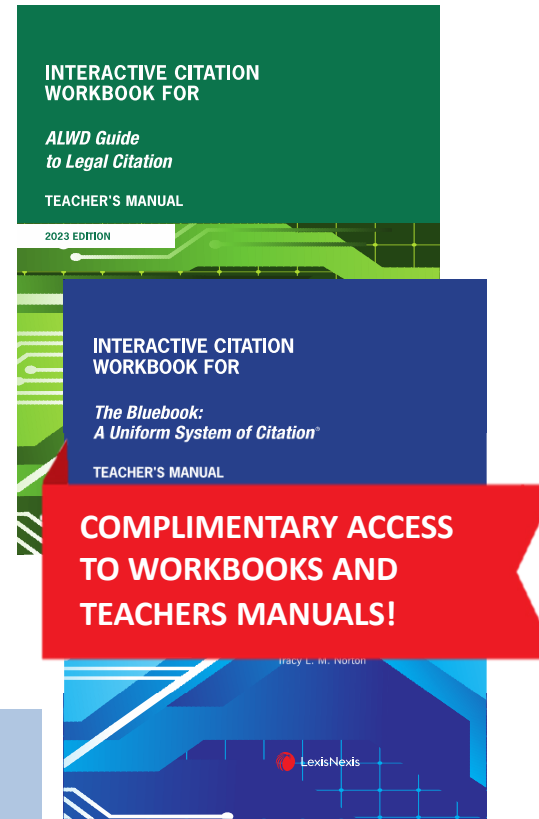

Interactive Citation Workbook for *ALWD Guide to Legal Citation*

### Perfect for teaching citation techniques inside and outside of the classroom

Available in both ALWD and Bluebook versions, the annually revised **Interactive Citation Workbook** publications use a building-block approach for students to learn citation with exercises to practice and reinforce the rules covered in each chapter.

Students can complete a citation exercise in their printed **Interactive Citation Workbook** and then plug the answer into the online **Interactive Citation Workstation**. Online exercises provide immediate feedback for both correct and incorrect answers. For incorrect answers, the Workstation provides hints with references to relevant citation rules. These hints help the students become familiar with using the citation guide as a reference and further enhance the learning experience.

**Law School, Clinic and Paralegal Professors may request complimentary access** to the workbooks and teacher's manuals via the Digital Library for Professor Review Copies site. Request Access at [lexisnexis.com/AccessDLPRC](https://www.lexisnexis.com/AccessDLPRC).
