

# 20+ REASONS TO CHOOSE CASE LAW AT THE LEXIS ADVANCE® SERVICE

Lexis Advance case law brings you better legal research. That means faster, simpler ways to uncover more relevant facts and legal issues, analyze large results sets and even help predict your next best steps. More features, based on customer feedback, are added continually.

Here are 20+ top case-law features the Lexis Advance service offers you:

**1 Ravel™ View in case results. See how your top search results cite each other.** Find additional cases that support your matter.

Quickly spot seminal cases and cases you might have overlooked. And review citing trends across jurisdictions and time. *Only at Lexis Advance.*

**4 Reason for Shepard's Signal™.** Reveal the impact of citing decisions faster. The exclusive Reason for Shepard's Signal indicator link takes your full-text case directly to the citing reference that had the strongest influence on the assigned Shepard's Signal indicator—in one click. *Only at Lexis Advance.*

**3 Shepard's® Citations Service.** It's the only citation service that shows you points of law judges repeatedly follow to support their decisions, i.e., **true positive treatment**. Rely on the same supporting points of law your judges cite. *Only at Lexis Advance.*

**6 Judge, attorney and law firm analytics.** Gain insights about judges, attorneys and law firms in easy-to-understand charts with data culled from millions of pages of litigation information. The Legal Analytics® box<sup>2</sup> in the right margin of your full-text case links you to a no-cost preview of Lex Machina®. Lex Machina subscribers can sign in and see deeper analysis. *Only at Lexis Advance.*

Legal Analytics

Use Lex Machina™ Legal Analytics® to analyze judge and law firm behavior. [Learn more](#)

Federal Judges (1)

Denise L. Cote

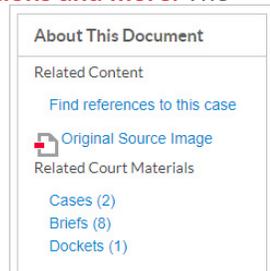

Law Firms (2)

Pachulski, Stang, Ziehl & Jones

Profeta & Eisenstein

**7 Link to briefs, pleadings, motions and more.** The

About This Document box in the right margin of your full-text case gives you fast access to **vital litigation-related documents**. No search needed.

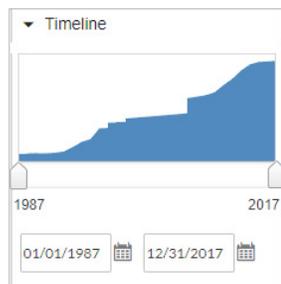

**8 Lexis Answers™.** Using **machine-learning technology**, the Lexis Answers feature understands your research question—and often the resulting Lexis Answers card<sup>3</sup> shows you a relevant case on your issue.

**9 Legal Issue Trail™.** Discover **case connections** you can't find anywhere else. Select an issue in your full-text case and retrieve other cases that cite to that specific issue. *Only at Lexis Advance.*

**10 More Like This Headnote.** Find an on-point headnote? Select the **More Like This Headnote** link and find additional relevant headnotes in one step.

**11 Parallel Westlaw® cites.** Enter a **Westlaw case citation; get a document** at Lexis Advance. (LexisNexis cites are not recognized on Westlaw.) *Only at Lexis Advance.*

**12 Search results timeline.** Every case search results screen shows you an **interactive chart** of your results by date so you can spot trends such as spikes in case law on your issue. *Only at Lexis Advance.*

**13 Legal Topic Summaries.** Click the summary icon link  above LexisNexis® headnotes in your full-text case and **get one document** listing seminal cases and statutes, burdens of proof, standards of review and more.

**14 Copy text with formatted citation.** Just highlight case text and select from standard or **50 state citation styles** before pasting into your work product.

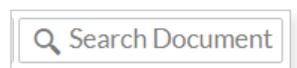

**15 Annotate cases.** Absolutely. Add the notes you need. Highlight in a variety of colors. (It's easy to edit notes too.) Then **save your annotated cases** to a Work Folder so you can access your notes again.

**16 Find any available case by name.** Just start typing in the **Red Search Box**. As you enter, you'll get case suggestions. Select yours and move to the full text.

**17 Permalinks.** That means you can **create a link to any case** you're viewing—in one step. Paste the link where you need it in your work product. Click and return as needed.

**18 Search within your case.**

Any case you're viewing. Just click the **Search Document** button at the top of the screen and enter the words you want to find. Results words are highlighted. Move from term to term quickly.

**19 Fill-in-the-blank form searching.** Advanced Search forms for cases also let **you search specific case parts**. So, for example, you can find opinions written by a specific judge. Or restrict your case search to headnotes.

**20 LexisNexis® headnotes.** Written by professional attorney-editors using **language directly from the case.** Attorney-editors do not apply their editorial opinion when creating headnotes, which ensures no misrepresentation.

**21 More federal cases.** Get a **comprehensive collection** of cases at the state and federal level—**25% more federal case law than Westlaw.**<sup>4</sup> *Only at Lexis Advance.*

**Important BONUS! 29-step editorial process** to ensure quality and timeliness. LexisNexis collects cases directly from **1,000 U.S. collection points.** The editorial team works with the courts to correct and enhance cases, making over **500,000 corrections** and enhancements to received cases. Editorial enhancements to cases are generally completed within **72 - 96 hours** on average. **LexisNexis has (overall) cases online faster than Westlaw over 88 percent of the time.**<sup>1</sup> *Only at Lexis Advance.*
