Powerful Research System
From the beginning to the end of your legal research process, LexisNexis puts easy-to-use tools at your command, including sources you trust and special features that make online research simple and comprehensive. You’ll be surprised how easy it is to retrieve documents and browse them online. Other features let you quickly and easily find additional documents and verify that cases, decisions and statutes are still good law. If you don’t want to review documents online, it’s simple to send them to your PC, printer, fax, or e-mail address. See for yourself! Find out how LexisNexis can build a customized corporate law solution for you. Contact your LexisNexis sales representative today.
Adding a Custom Corporate Source Tab

1. Click Add/Edit Tabs in the top left corner of the source selection screen.
2. Scroll through the displayed list until Corporate appears.
3. Highlight Corporate and click Add.
4. Click Done.

A fifth tab for Corporate will now appear on your source selection screen. Just click the tab to display the full selection of corporate sources.

Here are some of the specific corporate sources you’ll find.

- Sarbanes-Oxley Corporate Reform
- Federal and state corporate cases
- New York corporate cases
- State codes, constitutions, court rules & ALS
- Martindale-Hubbell®—Model Business Corporation Act
- Delaware Journal of Corporate Law
- Delaware Corporation Law and Practice (Matthew Bender)
- Corporate Acquisitions and Mergers (Matthew Bender)
- Business Organizations with Tax Planning (Matthew Bender)
- Corporate and Commercial Practice in the Delaware Court of Chancery (Matthew Bender)

- The Business Lawyer
- BNA Securities Law Daily
- SEC Filings—full-text & abstracts
- EDGARPlus Database
- EDGAR—Online® Real Time SEC Filings
- Information on records of corporation and limited partnerships from 48 states
- Delaware Secretary of State corporation information

And much, much more
Expert analysis of corporate law issues exclusively from LexisNexis® Matthew Bender®

LexisNexis Matthew Bender is a leading provider of analytical legal research information in print, CD-ROM, and via the Internet. You’ll find authoritative, comprehensive and accurate legal information that covers every major practice area and is authored by the leading experts in the legal community. The following titles are especially relevant to corporate law practitioners:

**GENERAL CORPORATE LAW**

*Biziness Organizations with Tax Planning*  
by Zolman Cavitch

This comprehensive, in-depth analysis of business law and all relevant aspects of federal corporate taxation covers the formation and operation of all major types of business entities—corporations, partnerships, limited liability companies, and more. It features full textual treatment of every aspect of corporation law, citing statutes and case law of all jurisdictions, as well as law review articles and other secondary authorities. Also included are separate chapters on federal taxation with authoritative citations to the Internal Revenue Code, Treasury Regulations, Revenue Rulings, and other sources, as well as volumes on general and limited partnership law and limited liability companies, with appropriate federal tax analysis.

This treatise also provides concise coverage of other important areas of regulation, such as securities law, antitrust, employment discrimination, environmental law, bankruptcy, copyright law, and state taxation.

**Liability of Corporate Officers and Directors, Sixth Edition**  
by William E. Knepper, Dan A. Bailey

The definitive exploration of D&O liability, insurance, and indemnification issues from two of the nation’s leading experts. With analysis of hundreds of significant court decisions and both federal and state statutes, this leading legal reference provides practical and insightful guidance into one of the most volatile areas of corporate practice.

**Organizing Corporate and Other Business Enterprises, Sixth Edition** by Mark R. Lee, Leonard Gross

This practical guide outlines the legal and tax factors to be considered in selecting a form of business organization and provides assistance from the inception through the termination of an enterprise. Types of entities covered include individual proprietorships, general and limited partnerships, closely held corporations, not-for-profit corporations, and limited liability companies.

**Business Law Monographs**—A complete and practical “tool set” for the general business lawyer and in-house counsel composed of 38 individual volumes and authored by over 40 distinguished practitioners. This invaluable resource addresses key topics in nine legal practice areas: Antitrust, Corporate, Employment, General Business, Insurance, Intellectual Property, International, Litigation, and Securities.

The monographs combine treatise material with relevant practice aids to provide an authoritative and time-saving grounding in a particular legal issue. Included are solid
overviews and useful insights into critical legal areas, such as cyber security and corporate liability; complying with the Foreign Corrupt Practices Act; avoiding employment discrimination charges; computer law strategies; and acquiring and protecting intellectual property rights. The monograph’s practice-oriented structure combines legal overview and practice advice with checklists, sample forms and key primary sources.

DELAWARE

Delaware Corporation Law and Practice by David A. Drexler, Lewis S. Black, Jr., A. Gilchrist Sparks III

An invaluable resource not only for attorneys in Delaware, but for practitioners all over the country. Three national authorities provide in-depth, section-by-section analysis of the General Corporation Law of Delaware, not only analyzing statutory language and case law but also identifying important legal trends.

Corporate and Commercial Practice in the Delaware Court of Chancery by Donald J. Wolfe, Jr., Michael A. Pittenger.

The practitioner’s only guide to the Delaware Court of Chancery, providing invaluable practical guidance on litigation strategy and tactics. Also includes expert analysis on jurisdiction; derivative and class actions; preliminary injunctions and temporary restraining orders; summary proceedings; and equitable remedies and defenses.

CORPORATE/BUSINESS FORM PRODUCTS

Current Legal Forms with Tax Analysis by Jacob Rabkin and Mark H. Johnson, original authors; more than fifteen experienced practitioners from various areas of law, current contributors.

One of the most comprehensive sets of legal forms published; covers practically every non-litigation matter likely to cross an attorney’s desk. With thousands of forms and over 70,000 clauses supplied by leading attorneys, Current Legal Forms with Tax Analysis provides:

- Extensive coverage of commercial, real estate and general business forms, as well as treatment of more specialized practice areas such as intellectual property, domestic relations, estate planning and employment
- Techniques for the actual planning of a transaction
- Valuable guidance for drafting the necessary documents
- Essential analysis of legal and tax implications

Warren’s Forms of Agreements® by Martin D. Fern

Containing hundreds of complete forms for everyday business transactions, each chapter of Warren’s Forms of Agreements begins with a practical introduction pointing out business, legal, and tax considerations, followed by complete forms and individual clauses. Topics include organization of the firm, dispositions of businesses, dispositions of personal property, dispositions of real property, Internet agreements, credit and financing, personal services, dispute resolution, and intellectual property transactions.
STATE CORPORATE

Corporate forms sets for Colorado, Georgia, Illinois, Massachusetts, Michigan, Missouri, Oklahoma, and Washington.

GENERAL MERGERS & ACQUISITIONS

Corporate Acquisitions and Mergers by Byron E. Fox, Eleanor M. Fox

This thorough, easy-to-use treatise to business combinations provides clear legal analysis and effective strategies for arranging transactions at the lowest tax cost; winning a takeover fight; complying with antitrust, securities and labor laws; dealing with finders and business brokers; and analyzing the cost of taking over the acquired company’s benefit plans. Key features include a thorough discussion of various acquisition methods with analysis of the legal, tax and practical implications of each, along with a full volume of the actual forms used in prominent transactions. Also included is a rich treatment of antitrust implications, including discussions of the merger regimes of the European Union, the United Kingdom, Germany, France, Japan, Canada, and Australia. Major antitrust and securities source materials (U.S. and foreign) and term glossaries are included as appendices.

Franchising by Gladys Glickman

Franchising provides a unified picture of the legal, business, and tax considerations of franchising. Practical expert analysis and advice are paired with the text of federal special industry laws; the text of state franchising and business opportunities statutes, regulations, and forms; and summaries of state special industry laws.

The Law of Associations by George D. Webster, Hugh K. Webster

This treatise covers the nature of associations, association operation, association lobbying, antitrust and employment law issues, ethical dilemmas, federal tax aspects of association activities, statistical reporting, and other legal and related problems of associations.

Antitrust Strategies for Mergers, Acquisitions, Joint Ventures, and Strategic Alliances by Caswell O. Hobbs and Robert S. Schlossberg

This guide provides strategic and practical advice on the antitrust aspects of business combinations. This compact deskbook encompasses major aspects of mergers and acquisitions, including antitrust issues, federal merger guidelines, particular types of mergers and collaborations, pre-merger notification, antitrust review, and global merger enforcement.

SPECIFIC BUSINESS ARRANGEMENTS

Franchising

Franchising provides a unified picture of the legal, business, and tax considerations of franchising. Practical expert analysis and advice are paired with the text of federal special industry laws; the text of state franchising and business opportunities statutes, regulations, and forms; and summaries of state special industry laws.

The Law of Associations

This treatise covers the nature of associations, association operation, association lobbying, antitrust and employment law issues, ethical dilemmas, federal tax aspects of association activities, statistical reporting, and other legal and related problems of associations.

Professional Corporations and Associations

This treatise provides authoritative guidance on forming, operating and changing ownership of a professional corporation or association. It includes extensive analysis, forms, checklists and appendices with sample plans, as well as many relevant primary sources.
Organization, Authority, Existence

Key Sources
- Combined Corporation and Limited Partnership Information
- Combined Fictitious Business Name Information
- Delaware Secretary of State Filings
- Directory of Corporate Affiliations

“Doing Business As” Information

PATH: Public Records > Public Records > Business & Corporation Information > Combined Fictitious Business Name Information
SEARCH:*  abc widgets

The Fictitious Business Names file contains “Doing Business As” name filings or assumed business name filings that have been registered with the Office of the County Clerk or other recording offices from all 50 states and the District of Columbia. One quick search in ALLDBA looks through 3.5 million d/b/a records online to tell you if “ABC Widgets” has filed any d/b/as or fictitious names.

Delaware Secretary of State Filings

PATH: Public Records > Public Records > Business & Corporation Information > Corporation & Partnership Registrations by State > DE Secretary of State

The records contain information on all active and inactive corporations that are registered and online with each state’s Secretary of State. You’ll find the registered name of the company, its address, phone number, and the name of the registered agent.

States in Which Company is Qualified to do Business

PATH: Public Records > Combined Corporation and Limited Partnership Information
SEARCH:*  name (abc widgets)

OR

PATH: Public Records > Public Records > Business & Corporation Information > Corporation & Partnership Registrations by State > select individual state filings
SEARCH:*  name (abc widgets)

*Examples are fictitious and used for illustrative purposes only
Officer and Directors List

**PATH:** News & Business > Directory of Corporate Affiliations

**SEARCH:** company (abc widgets)

**OR**

**PATH:** News & Business > Company & Financial > Company Directors & Executives > Executive Affiliations

**SEARCH:** ray w/5 widget

The Directory of Corporation Affiliations contains profile information and corporate linkage to the sixth level for more than 114,000 public and private companies (including more than 15,000 parent companies worldwide). The reports include a listing of key executives and directors.

Dun & Bradstreet’s Executive Affiliations contains information on individuals associated with more than one corporation. The records include data such as: company, address, country, executive names, titles, and position held, making it especially useful for determining conflicts of interest.

**Assets/Real Property**

**Key Sources**

- Deed Transfers, Tax Assessor Records and Mortgage Records
- Motor Vehicle Registrations
- Boat Registrations
- Aircraft Registrations
- Stock Ownership
- UCC Lien Filings

**Property Ownership—All States**

**PATH:** Public Records > Combined Deed Transfers, Tax Assessor Records and Mortgage Records

**SEARCH:** smith brothers

**Property Records—Individual States**

**PATH:** Public Records > People, Business and Asset Locators > Real Property Locator > Combined, Deed Transfers & Tax Assessor Records by State > Select Individual State

**SEARCH:** smith brothers

The Tax Assessor, Deed Transfer, and Mortgage Records materials represent the most comprehensive and powerful assets and people locator yet on the LexisNexis services. Use the records to determine if a company owns any real estate.

**Property Records—Individual Counties**

**PATH:** Public Records > People, Business & Asset Locators > Real Property Locator > Tax Assessor Records > Select individual county

**SEARCH:** smith brothers

*Examples are fictitious and used for illustrative purposes only*
Motor Vehicle Registrations

PATH: Public Records > All Motor Vehicle Registrations

SEARCH:* smith brothers

The All Motor Vehicle registration materials currently contain information on individuals, corporations, or other organizations who have registered or titled motor vehicles with any of 32 states. The individual states are searchable as well. Use these records along with the boat and aircraft registrations to determine liquid assets owned by a corporation.

Boat Registrations

PATH: Public Records > People, Business & Asset Locators > Personal Property Locator > Boat Registrations > Combined State Boat Registrations and U.S. Coast Guard

SEARCH:* smith brothers

The U.S. Boat file contains merchant and recreational vessel registration information maintained by the United States Coast Guard. You can also find information on individual state boat registrations.

Aircraft Registrations

PATH: Public Records > People, Business & Asset Locators > Personal Property Locator > Aircraft Registrations > Federal Aviation Administration Aircraft Registrations

SEARCH:* smith brothers

The Aircraft materials contain United States Aircraft registrations from the Federal Aviation Administration for the entire United States.

Stock Ownership

PATH: Public Records > Public Records > Personal Property Locator > Stock Information > Stock Ownership

SEARCH:* smith brothers

The stock ownership file includes records obtained from the Securities Exchange Commission (SEC). It contains abstracts of Forms 3, 4, and 144 filed with the SEC. This collection of information may be used to view the change in ownership of public company insiders and investors.

Liens or Judgments Against Real Property

SEARCH:* floodplain properties

PATH: Public Records > Public Records > Uniform Commercial Code Filings > Select individual state filings

SEARCH:* floodplain properties

PATH: Public Records > Public Records > Judgments & Liens > Combined Judgments & Liens > Combined Judgment and Lien Filings

SEARCH:* floodplain properties

PATH: Public Records > Public Records > Judgments & Liens > Combined Judgments & Liens > Individual State Judgment and Lien Filings

SEARCH:* floodplain properties

*Examples are fictitious and used for illustrative purposes only
Capital Structure, Ownership, Financials

Key Sources
- Directory of Corporate Affiliations
- Stock ownership reports
- EDGARPlus Database
- Disclosure Online Database
- Federal and state cases
- Civil Filings
- Judgment and Lien Filings
- Agency reports
- Bankruptcy Filings
- Jury verdicts and settlements

Financial Data
To find SEC filings for a specific company, including Form 10-Ks, Form 10-Qs, Form 20-Fs, etc.:  
PATH: Legal > Area of Law by Topic > Corporate > EDGARPlus Database  
SEARCH:* company (acme products)

To find a comprehensive business and financial profile of a company:  
SEARCH:* company (acme products)

Disclosure Online Database utilizes more than a dozen different sources when compiling a company record. Disclosure relies on SEC filing documents for most of its sources. Use the information to analyze a company’s financial strengths and weaknesses, as well as company trends and future directions.

*Examples are fictitious and used for illustrative purposes only
Litigation/Regulatory Compliance

Key Sources

- Federal and State Case Law
- Civil Filings
- Judgment and Lien Filings
- OSHA Inspection Reports
- EPA Civil Enforcement Docket
- Bankruptcy Filings
- Jury Verdicts and Settlements
- Environmental Site Records

Federal and State Case Law Involving the Company

PATH: Legal > Area of Law—By Topic > Corporate > Cases > Corporate Cases, Federal & State
SEARCH:* name (gearloose gadgets)

Cases within the Last Year

PATH: Legal > Cases—U.S. > Most Recent Year Federal and State Cases, Combined
SEARCH:* name (gearloose gadgets)

The combined Federal and State Case materials let you search all available federal and state courts with one search. It offers a quick and efficient means of checking for prior litigation. If you are interested only in recent litigation, the Most Recent Year Federal and State Cases provide a more cost-effective solution.

Pending or Recently Filed State Litigation

PATH: Public Records > Public Records > Civil & Criminal Court Filings and Regulatory Actions > Combined State Civil Filings
SEARCH:* gearloose gadgets

The FILING materials give you access to information on civil suits filed in selected jurisdictions for the states covered. You can quickly determine if a company or individual is currently involved in civil litigation.

Judgments Against the Company

PATH: Public Records > Public Records > Judgments & Liens > Combined Judgments & Liens > Combined Judgment & Lien Filings
SEARCH:* gearloose gadgets

PATH: Public Records > Public Records > Judgments & Liens > Combined Judgments & Liens > Select individual state filing
SEARCH:* gearloose gadgets

The Judgment and Lien materials provide the debtor name, creditor name, case or lien number filing and release dates, and the liability amount.

OSHA Inspection Reports

PATH: Public Records > Public Records > Civil & Criminal Court Filings and Regulatory Actions > Occupational Safety and Health Administration Inspection Reports
SEARCH:* gearloose gadgets

*Examples are fictitious and used for illustrative purposes only
The OSHA Inspection Reports contain reports from both state and federal OSHA offices and include names and addresses of businesses inspected, violations and penalties assessed, inspection date and more. You can quickly determine if the company has a history of accidents or violations.

**EPA Cases**

**PATH:** Public Records > Public Records > Civil & Criminal Court Filings and Regulatory Actions > EPA Civil Enforcement Docket

**SEARCH:** gearloose gadgets

The EPA Docket materials include information on all civil cases filed by the Department of Justice on behalf of the EPA for permit violations. You can see if the company has violated EPA regulations, including figures on how many toxins the company can legally release, the date permits will expire, and more.

**Bankruptcy Filings**

**PATH:** Legal > Bankruptcy > Combined Bankruptcy Filings

**SEARCH:** gearloose gadgets

The bankruptcy filing materials contain the petitioner name(s) and address(es), filing number, chapter, filing date, status information, assets/liabilities (estimates provided by petitioner).

**Verdicts or Settlements Involving the Company**

**PATH:** Public Records > Public Records > Jury Verdicts & Experts > Jury Verdicts and Settlements, Combined

**SEARCH:** gearloose gadgets

The verdicts and settlement materials provide descriptive information on selected federal and state cases. The information is particularly useful for finding settlement information that is not normally reported.

**Federal and State Environmental Site Reports**

**PATH:** Legal > Environment > Environmental Site Records, Federal and State

**SEARCH:** gearloose gadgets

LexisNexis® CourtLink® Strategic Profiles

Gain insight into a public company’s litigation history, federal litigation trends, or an attorney’s experience on a particular type of suit.

CourtLink® searches the most in-depth historical online database of federal civil court records covering 10 to 20 years of cases to pinpoint relevant information and deliver a Strategic Profile with easy-to-read graphs, data charts, and facts that allow you to identify trends, opportunities, and risks.

*Examples are fictitious and used for illustrative purposes only*
