

Resources Tailored by Practice Area

The **Fact & Issue Finder Search Overview Page on Lexis+** is the fastest, most comprehensive way to understand the landscape of legal research information pertinent to the case. Each practice area's Search Overview Page displays tiles containing information for the **case graph, practical guidance and administrative materials** results, a **Verdicts & Settlements graph**, and an **Expert Witnesses list**.

To gain knowledge and understanding of the factual components of the case beyond legal research, the Search Overview Page also contains LexisNexis® **resources tailored by practice area**.

Business & Commercial

Company Research utilizes **Context Company Analytics** to provide market insight including a high-level overview, contact information, litigation history, financial data and news trends affecting companies.
