Apply Legal Strategy

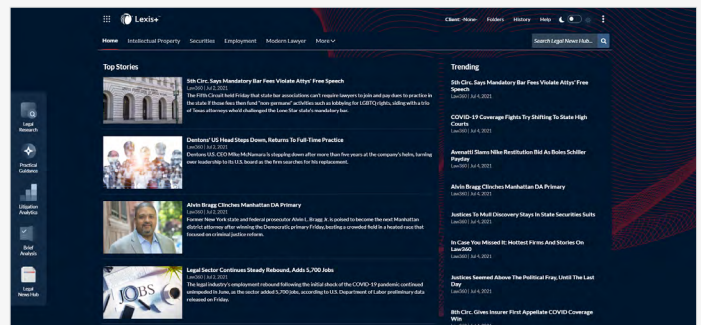

Brief Analysis

Build the strongest and most persuasive arguments and find relevant materials with targeted research recommendations and *Shepard's*[®] analysis. A great tool for finding weakness in opposing counsel's argument.

Access Legal News

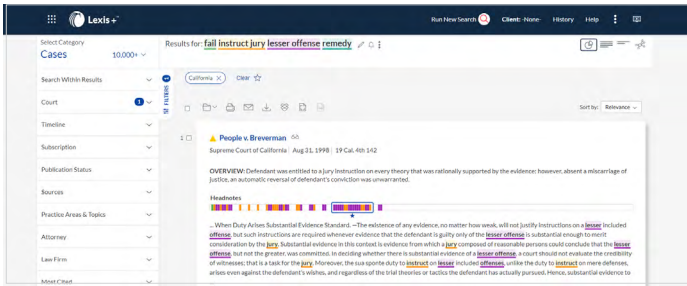

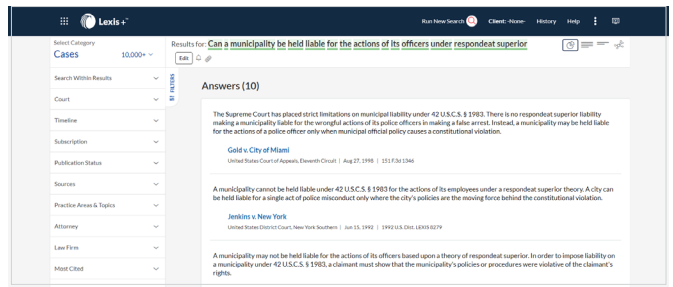

Legal News Hub

Seamlessly incorporate Law360 news into your workflow and stay on top of leading business and practice of law stories from 70+ practice areas with a fully integrated news experience.

Lexis Answers[®]

Resolve legal questions and find citable authority without searching for and reading lengthy documents—enter any natural language question into the search and locate the answer directly within the document where the answer is found.

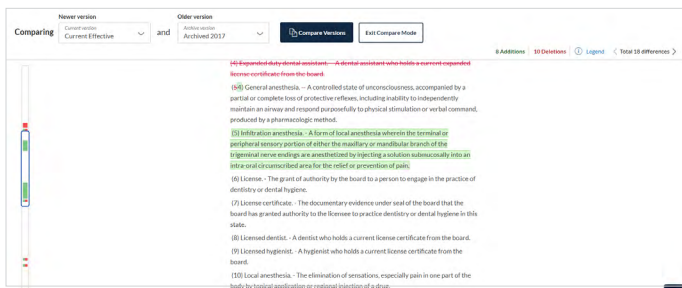

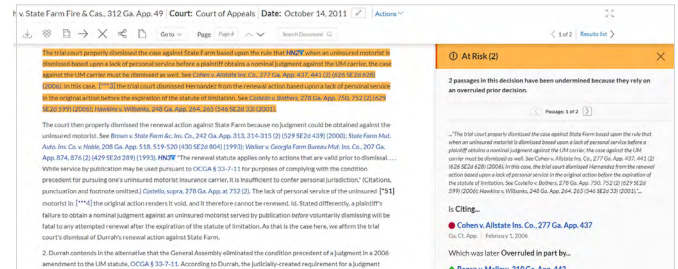

Search Term Maps

Preview relevant resources faster by reviewing patterns and the largest concentration of your search terms—across all major content types—within the results list and in each full document.

Shepard's[®] At Risk

Identify cases at risk of being overruled, where the underlying points of law have been negatively treated by other decisions in the same jurisdiction, and ensure you're citing the absolute best authority for a point of law.

Code Compare

Stay updated on the law and legislative intent, statutory changes over time, and whether laws are becoming more or less restrictive by easily comparing any two versions of a statute section side-by-side.

Welcome to the Lexis+[™] experience, for all your legal workflows—**from search to strategy, start to finish.**
