

INTRODUCING LEXIS+™ LITIGATION ANALYTICS

Powered by industry-leading Lex Machina® analytics and unrivaled CourtLink® coverage, Lexis+ Litigation Analytics provides the most relevant data-driven insights into the behaviors and trends of judges, courts, attorneys and law firms, available for the first time ever with Legal Research, Practical Guidance, and Brief Analysis in a single, efficient workflow.

EVERYTHING YOU NEED
TO KNOW ABOUT YOUR
JUDGE & COURT.

A 360-DEGREE VIEW
OF OUTSIDE &
OPPOSING COUNSEL.

QUICK COMPARISONS
OF COURTS, JUDGES,
ATTORNEYS & FIRMS.

EXPERIENCE MORE RESULTS WITH ANSWERS TO ALL YOUR LITIGATION QUESTIONS.

Courts & Judges

- What do I need to know about this judge or court to develop the best litigation strategy?
- What do the behavior trends of my judge or court mean for my case?
- How long will it likely take for my case to reach key litigation milestones before this judge or court?
- Which court is the best venue for my case?
- What is the experience level of this judge or court in a specific area of law?
- How do I accurately forecast, price this matter and communicate the timeline to my client or organization?
- How can I access insights on key factors impacting my case without incurring added costs via outside counsel?

Attorneys & Law Firms

- What do I need to know about this attorney or law firm to increase my likelihood of success?
- What is the attorney or firm's level of experience within the industry?
- What is the attorney or firm's track record overall?
- What is the attorney or firm's overall litigation history?
- Which specific cases has the attorney or firm previously litigated?
- How long does it take this attorney or firm to reach certain litigation milestones?
- Who are my prospective clients and where is the opportunity based on a competing firm's top 10 client list?
- What should I cite in an RFP or pitch deck to maximize my success?
- What should I highlight in my marketing or business development?
- Is this attorney or firm a good fit to represent my organization?

ONLY ON LEXIS+
