

10 Reasons to Use Practical Guidance

Work at maximum efficiency and confidently accomplish legal tasks with guidance from experienced attorneys across 20+ key practice areas.

- 1 Resource Kits**
Identify all related content, for important topics, within each practice area, using kits that compile key practice notes, checklists, trackers, templates, state law surveys, videos and clauses all in one place.
- 2 State Law Comparison Tool**
Compare laws across all 50 states plus federal, to create customizable charts that provide detailed legal analysis on standout topics.
- 3 State Law Surveys**
Use multi-state surveys for discrete points of law to quickly find on-point authority with links to source material, including statutes and regulations.
- 4 Automated Templates**
Save time and reduce the risk of errors by building documents based on utilizing an interactive questionnaire to generate first drafts quickly.
- 5 Trackers**
Monitor statutory, case law, and regulatory developments with trackers which provide a short synopsis, the date of the development and its effective date, with links to primary sources.
- 6 Private Market Data**
Get a broader view of the market with thousands of agreement terms from recent, non-public agreements negotiated by top practitioners.
- 7 Market Standards**
Search thousands of deal documents for agreements, clauses, and competitive intelligence. Focus search results with deal point filters, easily find precedent language, and see deal point and transactional trends with data visualizations.
- 8 Practice Videos**
Discover a superior video experience, with 2x more video content, providing quick and engaging ways to quickly get up to speed on important legal topics.* Easily review the library's resources, watch short on-topic videos (2-5 minutes), explore related content, or read transcriptions. Plus, search results emphasize relevant videos for ease of in-the-moment education.
- 9 Legal Developments**
Stay on the leading edge of emerging topics by pairing important breaking Law360 news, with analysis of changes in the law and impact on practice which includes practice notes with checklists, and applicable primary law.
